# **AS-970C MACH5** **THE MASTER PIECE FOR DIRECT** **MARKETING CAMPAIGNS**

Full process colour with innovative technology

WE VALUE YOUR MAIL 

# AS-970C MACH5 ENVELOPE PRINTER

## HIGHLY EFFICIENT WITH FULL COLOUR CAPABILITY

Quick and easy to use, this printer has full colour print capability for excellent presentation and personalisation.

### PRODUCTIVITY

- Overprint up to 7,500 envelopes per hour - no need to apply labels
- Easy to install with 'Plug'n'Play' software
- PC controlled with clear, concise prompts
- Optional conveyor stacker or additional drop tray for larger mail runs
- Reduced set up time to print

### COST SAVINGS

- Print full colour on demand - no need to hold stocks of overprinted envelopes or labels
- Correctly formatted addresses help qualify for Royal Mail volume discounts (Business Mail 1 and 2)

### PROCESS MANAGEMENT

- Manage direct marketing and customer communications in-house
- Protect your customer information by keeping in-house
- Duplicate and inaccurate addressing detection reduces wasted mailings
- Integrates easily with other Neopost mailing solutions for an efficient mailing process

### EFFECTIVE COMMUNICATIONS

- Personalised mailings improve deliverability and are more likely to be opened
- Memjet technology gives a highly professional image and can print marketing messages on envelopes, even in full colour
- Versatile address, graphics and barcode printing for quick changes to messages or layout

AS-970C presented with optional conveyor stacker (CS870)
